Hebron Maple Festival '24 "Bringing It Home" is dedicated to the memory of Russ Schaller

1945-2023

Russell Schaller, aka "Russ", a long-time Hebron resident is a charter member of the Hebron Maple Festival. His sugar house Woodyacres, located on Cone Road, has boiled sap to the delight of thousands for many years. His sugaring adventures started as a hobby and quickly turned into a business.

Those that knew Russ fondly refer to him as a great picker. His love for all things antique automotive turned up many treasures that he gladly shared, for a price, with his family, neighbors, and the community! Case in point the recent replacement "Cruise Night Sunday" hood announcing car shows at The Village Shoppes was an original "Russ Pick" and was donated by Russ and his son Dave.

Hebron Maple Festival '24 "Bringing it Home" is a very special year for our Hebron community as well as our "Sugaring" community. Therefore, we'd all like to dedicate this very special year to a very special person, Russell Schaller.

Russ's love of sugaring and Hebron can be seen through the numerous newspaper articles about Hebron Maple Festival on display at the Douglas Library.

St. Peter's Episcopal Church and Marcia & Chuck Eaton for the commemorative 10th anniversary parade magnets

and Town Manager Andy Tierney, Director of Administrative Services, Donna Lanza, Town Planner, Matthew Bordeaux, Parks & Recreation Director, Craig Bryant and the Parks & Rec Crew, Hebron Historical Society and the Board of Selectmen for all thier support and work on The Town Center Project storage facility

The following are contributing donors :
Wild Bill's Surplus - 295 Church Street, Amston 860-228-1809

We LOVE a Parade

Several years ago, two young men, Marc Baribault, the owner of Briar Ridge Farm (an active farm raising beef cattle and goats on Kinney Road and the former Harry and Blax Megson Farm) and friend Kevin McDonnell, who helped Marc on the farm, decided that a tractor parade would be an enjoyable way to honor the legacy of Hebron, at one time a rural farming community.

They hatched a plan to have a tractor parade down Main Street. David Armata of Teds IGA Supermarket, was approached and agreed to let them use his parking lot as an assembling area. The Hebron Maple Fest Committee at the time agreed to showcase the event at 1:00 on the Sunday of the Maple Fest. So the first tractor parade was in March of 2013 with about 22 tractors participating.

Missing the covid years, there were 114 tractors last year. Town Manager Andrew Tierney unofficially claimed it to be the largest tractor parade in the state. Kevin McDonnell and his daughter Laura McDonnell have continued the tradition through to the present, as the tractor Parade will be held at 2:00 P.M. on March 17th, 2024, during the Maple Fest Weekend. Kevin McDonnell has said “It was the greatest sight to see tractors on both lanes of Main Street from Ted’s to the center of town”.

Many of the tractors are from the town of Hebron and the immediate surrounding towns, but some have been trailered in from other CT towns and close by states. If you come to the parade, it is a real lesson in history.

Some of the tractors are “new ones”, some are restored “old ones”, and some have been driven right off the field. The tractors will be lined up and ready for the parade, so the public can walk around after 11:30 and get a closer look at them.

With March 17th being St. Patrick’s Day – don’t be surprised to see tractors and drivers decked out in their Irish best – and watch out for the Leprechauns!
